

Welcome to ESL.Wiki

ESL.Wiki : English as a Second Language Wikibook is a **textbook of English language taught as a non-native (second language)**, implemented on the principles of a **wiki** . Wikibook is formed on the basis of personal voluntary participation, is open and distributed under the free license "CC BY-SA", which allows you to use the materials of the textbook for your own purposes - for copying, reproduction and distribution. The structure of the textbook allows everyone to take part in it and contribute to its creation and development.

The Wikibook's Sections

Phonetics and Spelling

[Phonetics and spelling of the English language](#) – pronunciation of sounds, rules for reading letters and words of the English language.

Grammar

[Grammar of the English language](#) – a description of the grammatical structure of the English language, familiarity with the basic rules and features in the structure of the English language.

Word Usage

[Difficulties of English word use](#) – features of the use of individual words and expressions of the English language.

Phrasal Verbs

[Phrasal verbs of the English language](#) — a dictionary of the most common phrasal verbs in the English language.

ESP: English for Specific Purposes

[Special English](#) – the use of English in various fields of human activity, such as mathematics, medicine, sports, etc.

Theory

[Terms and additional theoretical material](#) in linguistics, presumably outside the scope of learning English as a second language.

The Wikidraft

[The Wikibook's Draft](#) - a section for articles and sections under construction, and not ready to be placed in its main sections.

The Wikibook's Manual

[Wiki User Guide](#) — a section containing informational and guidance articles needed to participate in the Wikiproject.

Assistance to The Wiki

You can help in information support of the ESL.Wiki by telling your friends and acquaintances about it, all those who may be interested in the project. Any mention of Wiki, and especially on the vastness of the World Wide Web, directly and indirectly contributes to the improvement of the quality and volume of its content. You can use the share buttons at the top and bottom of the Wikibook's pages.
